Sri Sairam Engineering College
Department Of Humanities And Sciences

Name : **Dr. S. DINESH**	
Designation :	Assistant Professor
Qualification :	M.Sc., Ph.D., PDF
Area of Specialisation :	Nanomaterials and Energy storage devices
Experience :	Teaching : UG : 2 years 7 months PG :
	Industry :
No. of Workshop / Conferences / FDP attended	12
Publication :	Journal National : nil International : 17
	Conference National : 1 International : nil
Research Guidance :	Nil

General :	Post Doctor Fellowship completed at Central South University, China during the period from 27-02-2018 to 30-12-2019 (1 year 10 months)
Staff Achievements	• Organized two international webinars • Awarded Postdoctoral Fellowship at Central South University, China

Educational Qualification:

Category	Name of the Degree	Specialization	Year of Passing	Name of the College	Name of the University	% of Marks / Grades obtained	Class obtained
UG	M.Sc (5 year Integrated)	Physics	2010	Bharathidasan University	Bharathidasan University	6.90	First Class
PG	M.Sc (5 year Integrated)	Physics	2012	Bharathidasan University	Bharathidasan University	6.90	First Class
Research	Ph.D	Physics	2017	Annamalai University	Annamalai University	NA	NA

Academic Experience:

Name of the College	Designation	Joining Date	Relieving Date	Experience		
				Years	Months	Days
Bharath Institute of Higher Education and Research	Assistant Professor	03.02.2020	30.10.2021	1	8	29
Sri Sairam Engineering College	Assistant Professor	15.11.2021	Till Date	0	10	15
Total				**2**	**07**	**14**

WORKSHOP:

- National Level workshop on Recent Trends and Opportunities in Physics on 10th and 17th April 2021, Organized by the Department of Physics, School of Advanced Sciences, VIT-AP University, Andhra Pradesh, India.

SEMINARS/ CONFERENCES:

- International Virtual Conference on “Recent Trends in Clean Technologies for Sustainable Environment” on September 15 & 16 organized by CEWAR, SSN College of Engineering, Chennai.

- International Virtual Seminar on "Physics and Chemistry of Materials" on 6th, February 2021 organized by Department of Physics, Karpagam Academy of Higher Education, Coimbatore.
- International conference on "Recent Trends in Material Science and Applications" organized by the PG and research department of physics, Jamal Mohamed College, Tiruchirappalli, India.
- National conference on "Advances in material science" held at M.V.Muthiah government Arts College for women, Dindigul, India.
- National conference on "Frontier areas in applied physics" organized by Engineering Physics, Annamalai University, Chidambaram, India.

FDP:

- International Faculty Development Programme on "Facets of Teaching" jointly organized by Tamilnadu Teachers Education University and Lakshmi College of Education, Dindugul from 14th June 2021 to 20th June 2021.
- National level Faculty Development Programme on Advanced Science and Technology organized by Department of Physics, SRM Institute of Science and Technology, Ramapuram Campus, Chennai on 5th May 2021.
- Online FDP on Material Science organized by Thanthai Hans Rover College, Perambalur.
- FDP on Pedagogy of Physical Science organized by Trinity College for Women, Namakkal.
- FDP on Nanomaterials for Energy Harvesting and Biomedical Applications organized by GIET, Andhra Pradesh.

PATENTS

- Nano Engineered polymeric biomaterials for targeted drug delivery system for synergistic brain targeting delivery method thereof. (Indian Patent, Application No: 202241051202)
