

Dr. T. K. Subramaniam, Professor, Department of Physics attended the 8th International Conference and Exhibition on Lasers, Optics & Photonics and presented the invited talk on “Laser Technology to guide rainfall to a particular region” in USA during November 15 – 17, 2017.

Dr. T. K. Subramaniam, Professor, Department of Physics attended the 3rd International Workshop on Infrared Technologies and presented the invited talk at Laser Components GmbH, Olching in Germany during November 7 – 8, 2016

Dr. R. Premanand, Professor, Department of Physics attended the 28th International Conference on Diamond and Carbon Materials and presented the paper “Laser beam excitation to study transitions in fullerene molecule” in Sweden on September 6, 2017

Dr. B. Thanuja, Assistant Professor, Department of Chemistry attended the 15th International Tetrahedron Symposium Asian Edition and presented the paper “Synthesis, characterization in Vivo and in slico” in Singapore during October 28 – 31, 2014.

Dr. K. Parvatham, Professor, Department of Mathematics was invited as a Keynote Speaker to Vingnanam International Research Conference, 2018 (VIRC 2018) on July 4, 2018 organized by the Faculty of Science, University of Jaffna, Sri Lanka and Co-organized by Ministry of Science, Technology, Research, Skill Development & Vocational Training and Kandyan Heritage, Sri Lanka.

Dr. B. Thanuja, Department of Chemistry International Conference was invited as a Keynote Speaker/Empowerment of Rural Women, ICWMR 2021, Indo - Euro Collobration on 08.03.2021 & 09.03.2021

WELCOME TO ICWMR 2021

International Conference for Women in Multifaceted Research (ICWMR)
Special Session : Women in Science and Engineering (WISE)
Indo-Euro Collaboration

Keynote Speakers

 Dr. Sumathi S Sri Sairam Engineering College Topic: <i>Biometrics in Women Safety</i>	 Dr. Thanuja B Sri Sairam Engineering College Topic: <i>Empowering Rural Women</i>	 Dr. Panjavaram B Sri Sairam Engineering College Topic: <i>Women in Communication</i>
 Ms Bhuvanshwari L Co-Founder & COO MIT Square, India Topic: <i>Women Empowerment</i>	 Ms Aruna HP CINO & Patent Consultant MIT Square, India Topic: <i>Women in IP</i>	

Session Chairs
Dr. Mithilesh Sathyanarayana, MIT Square, London
Dr. Marta Zurek-Morka, Lukaszewicz Instytut Technologii Eksploatacji, Poland

For more details visit our website:

1ST INTERNATIONAL CONFERENCE FOR WOMEN IN MULTIFACETED RESEARCH (ICWMR)-2021

Certificate

This is to certify that
Dr. Thanuja B
 of Sri Sairam Engineering College, Chennai has delivered a
 Keynote Talk on **Empowering Rural Women** in online mode for a
 Special Session on Women in Science & Engineering (WISE) held during 8th-9th March 2021.

Dr. Mohamed Muneez Publication Chair
Prof. Dr. Aynur Unal General Chair
Prof. Dr. J. K. Mandal General Chair

Women in Engineering and communication

Rajeswari Chatterjee
 Microwave Engineering and Antenna

Roles

- She is the first Woman Scientist to pioneer the Field of Microwave Engineering and Science Engineering in India.
- She took MS degree in Electrical Engineering from Michigan University, USA in 1949.
- Around 60 years ago, she was the only woman on the faculty in the Indian Institute of Science. She retired as Professor and Chairperson of the Department of Electro-Communication Engineering, Indian Institute of Science, Bangalore

**Dr. N. Sivakumar, Department of Physics, International Conference Valencia Spain,
Electron Beam Spectroscopy for Nanooptics from 14 – June -2021 & 15-June -2021**

Certificate of Participation

Jun 16 2021

Dr. Sivakumar Natarajan
Sri Sai Ram Engineering
College
Tambaram West,
Tambaram, Chennai,
Tamil Nadu, India
Chennai, 600 044
India

This is a certificate of participation at:
Electron Beam
Spectroscopy for
Nanooptics 2021
celebrated from Jun 14
2021 to Jun 15 2021

This letter certifies your participation as Participant
at the Electron Beam Spectroscopy for Nanooptics
2021 celebrated from Jun 14 2021 to Jun 15 2021.

Sincerely,

A handwritten signature in black ink, appearing to read "A. S. P. S.", written over a horizontal line.

**Dr. N. Sivakumar, Department of Physics, IX International Scientific Conference
Actual Problems of Solid State Physics (APSSP-2021)**

**Presented on Title: Development of pure and strontium substituted LaFeO₃
Single crystals by optical floating zone technique**

Section: Functional Materials and Applications

The Conference will be held on November 22-26, 2021,

In Minsk (Belarus) in a hybrid format (online and Offline with live broad cast in Zoom).

Dear Dr. Natarajan Sivakumar

On behalf of the Conference Committee, it is my pleasure to invite you to participate in the IX International Scientific Conference «ACTUAL PROBLEMS OF SOLID STATE PHYSICS» (APSSP-2021) with a poster presentation.

Title: *Development of pure and strontium substituted LaFeO₃ single crystals by optical floating zone technique*
Section: *Functional Materials and Applications*

The Conference will be held on November 22-26, 2021, in Minsk (Belarus) in a hybrid format (online and offline with live broadcast in Zoom).

Prof. Valery Fedosuyk
Honorary Chairman
of APSSP-2021
